

# You're Invited to a Playworks Indiana GAME CHANGER EVENT

Did you know? High quality recess contributes to the executive function, emotional self-control, resilience, and positive classroom behavior in elementary school children. (Massey, 2021)

Join [Playworks](#) and West Central Education Service Center to learn more about how the power of play can transform recess - and so much more. Experience a taste of what Playworks can bring to your school and **learn more about funding opportunities that your school can utilize to elevate your recess!**

**Wednesday, November 12th 2:00-2:45 pm**  
**Via Zoom (link sent after registration)**
